CORRIE

Villages of Arran	By 1773 Corrie Farm had been divided into three farms.
Rob's notes	Good cottages, from Church southwards. Burnside-Sunnyside-?-Cliff Cottage - Bellevue cottage + Red Cottage (this one of red ashlar) - Tigh na --- Greengair - Eldon - Zephyr (painted to look like stone) - then Harbour, and then more good cottages (2 white- 1 red - 5 white: generally white harled, with painted margins, dormers and walled gardens across the road). Low squat Arts & Crafts house (Leiperish) house to North of Corrie Hotel (red sub-Burnian with extension of 1899). S again. Good row of red stone 1½ houses, one dated 1896. Than a church (Corrie Free) and the Look-out Tower.
TT, F 19.5.1899, 5d	The Story of the Development of an Arran Village. Corrie, the quarries, McGregor, &c. TRANSCRIPT herewith.
TT, F 23.6.1899, 3f	A letter from 'A Native of Corrie' takes issue with some of the remarks made in the above, especially regarding lack of entrepreneurial drive of the islanders, and the lack of a shoemaker in Corrie, but says remarks on the late Duke are too mild, and calls his policies "pure, undiluted, full-bloodied Toryism."
IOAH, 183	Sandstone quarries begun in 1882 by a Mr King (see Alpine House)
