1915-1917

NAC, GH 1/1/13

ATC. 15.1.1917. Agreed motion that Works Committee be asked to ascertain how much of Kilmahew grounds was suitable for feuing for workmen's houses. WC reported Kilmahew as quite unsuitable, 15.2.1917.
19.2.1917. Agreed to set up committee to look at whole issue of housing. On 9.4.1917 Committee reported that Ministry of Munitions do not think lack of housing is a deterent to munitions manufacture (at Stevenston site?), and on 16.4.1917 TC considered letter from Saltcoats suggesting joint Three Towns approach to Ministry, and agreed to do so 7.5.1917.

1917-1919

NAC, GH 1/1/14

ATC. 28.2.1918. Reported that Ardrossan Dry Dock Co are buying houses as they become available, for their workers, and thus causing problems in housing market. 18.11.1918 agreed to approach Local Government Board [LGB], with proposals for 200 houses (24 as a priority), to speak to Allan Stevenson, (as architect to Lord Eglinton), and to incorporate views of James C Duncan, Burgh Surveyor.
9.12.1918 considered plans submitted by Stevenson for Young Street, and for a plot SSW of Seton Street. On 21.12.1918 agreed to get house plans from Stevenson.

1919-1920

NAC, GH 1/1/15

ATC. On 17.2.1919 considered Stevenson's plans, and agreed to get costs of those most suitable. On 17.3.1919 Allan Stevenson was formally appointed as Architect to the Council for the proposed scheme of housing accommodation. Spring/Summer 1919 various sites discussed with Eglinton, LGB, &c., and on 8.9.1919 reported that LGB had approved a site in Young Street, and a site at Parkhouse Road; on 29.9.1919 it was reported that Ardrossan Dry Dock Co would be willing to take a block lease. On 20.10.1919 TC approved a scheme under Section 1 of Housing Town Planning &c (Scotland) Act 1919, proposing 288 cottages and flats on Parkhouse Road site, and 12 tenement houses in Young Street.
