EAST MAIN STREET

2-6 (and return elevation to RANALDCOUP ROAD)

List 17 5.10.1992 Earlier C20 for Darvel Industrial Co-operative Society Ltd. 2 storey 3 by 7 bay red sandstone block on corner with shops on ground floor, offices above. Ranaldcoup Road frontage: left sornered chamfered, with entrance to shop on corner and tripartite wooden mullioned and transomed window above. Keystoned architrave with date in cartouche above. Remainder of frontage treated symmetrically at first. At ground black-marble surrounded display windows in first, third and fifth bays, sandstone panels in second and seventh light, door in fourth with moulded keystoned architrave. Small cornice divides ground from

first, which has 7 windows as on corner, central one with dropped cill. Dentilled cornice, blocking course. EMS elevation: at ground single display window at left, doorway, then double display window, all with black marble surrounds. At first 3 windows as at corner, separated by narrow panels. Other details as on Ranaldcoup Road. Roof low pitched, brick chimney stack at E end of EMS frontage. Metal lettering on fascias and above office door, applied as individual letters, some missing.

Darvel Industrial Co-operative Society founded 1840, and one of the oldest in Britain. This block built as registered offices and central premises. CS.

IVN, 4.11.1932, 4def — Co-operative, Darvel, new central premises formally opened last Saturday. **C H Armour**, architect. Addition to existing group of buildings, begun in 1880, to which a Drapery was added in 1900 and a Fleshing Dept in 1902.
