Site Visits, p.2 BP is dated 1904, CL dated 1903.

LDHS Newsletter, December 2003, 4-5 A children's home, Wallneuk House, was built here c.1888 by Peter Coats. It was gutted by fire in 1900, and in 1901 the property was sold to James Crawford, mason and builder, Kilbirnie. He converted the building (83) into 4 flats. To the south he built two blocks of tenements, each with 6 flats, which he called Kerrsland Place (77) and Bessford Place (79) after his mother and wife. c.1927 he built two cottages to the rear as coast homes for his family: these are today 81 Crawford Lea Cottages.

--. ELDERSLIE	
List 14	Possibly David and James Hamilton. Earlier C19 Tudor Gothic asymmetrical house, 2 storey over basement on battered plinth. Polished ashlar. S elevation: 4 bays, wide, Tudor arched entrance with hoodmould and crenellated blocking course. Canted ground floor window in gabled right bay with Gothic traceried upper lights; crenellated parapet; tripartite above. Tall, 8-pane sashes in 2 recessed bays to left; 1st floor windows with lying-pane glazing, blind windows to L. Cornice. 2 pairs of octagonal wall-head stacks on corbelled plinths. Recessed modern single storey 3-bay extension to east is harled, with crenellations. Similarly detailed W elevation has 5 bays, right bays advanced and gabled, canted windows to each floor at right, upper windows set back; left back advanced with canted ground floor window, upper sashes with Gothic tracery; 1st floor windows in shallow advanced bay with crest in central pediment over parapet. Cornice and crenellated parapet over inner bays. All single windows with hoodmoulds, crests in gables and decorative stone finials. Clustered ridge stacks. Slate roof. Built on raised terrace with vermiculated retaining wall and pierced balustrade. Chamfered square corniced gatepiers. Crests in gables depict a ship and lion rampant, arm with arrow above. B.

CHARLES STREET

1

ACC Planning, A5549 — January 1953. Change of use from house to private hotel, 1 CS, for Forbes Young.

34, WHITELODGE HOTEL, formerly BLACKDALES

List 16 — Mid C19. 2 storeys over basement, 3 bay asymmetrical villa, now an hotel, with later C19 single storey over basement wing extending to N. Painted ashlar and dressings. Steps lead to central recessed door set behind Roman Doric columned screen, pierced parapet with cast-iron balustrade above linking advanced outer bays. Tripartite in outer bays, canted on each storey to right, plastered to left, with entablature above ground floor window. 1st floor lights roundheaded. Single 1st floor window in central bay. Continuous cornice over ground floor and cill course to 1st floor. Main cornice and parapet, balustraded over outer windows. Symmetrically placed stacks. 3-window bowed extension to L linked to original house by 2 bays; continuous string course over basement and pierced parapet above ground floor. Painted ashlar. Extension links to former rubble-built outbuilding to NE, converted to photographer's studio, 1876, with doorway added on Charles Street, Honeyman and Keppie, architects. Charles Street: projecting porch has roundheaded recessed door with cavetto reveals; channelled bull-faced ashlar and voussoirs with massive projecting keystone; polished ashlar below broad projecting eaves.
Interior of main block: some late C19 decorative cornices and plasterwork. Ionic columned screen in rear hall supporting entablature with round arch above. Carved roof timbers in former outhouse, now public bar, but these concealed by modern ceiling.
1876 alterations for J Fergus, photographer. Ref: Honeyman and Keppie accounts, ex inf Alexander Smellie. B.

LNAFHS, Spr 2020, 9-10 — Robert Lang was here in 1841; brother to Hugh M Lang, elder. Robert's son was H M Lang, younger (1818-c.1914)
