WHITEHALL, ---

AA 16.3.1882 — The proposed block of workmen’s houses to be erected in the Ladyland Field, adjoining the Police Station, by the Marchioness of Ailsa is now begun. It now seems that the scheme has induced other parties to invest their money in like manner, for another fine block of tenements is also in course of erection adjoining that of Lady Ailsa’s. Another feu has also been taken in the same field so that when the buildings are finished the appearance of that part of Whitehall will be greatly improved. Other 2 buildings also for letting to tradesmen are about to be erected near to Townend...
