WINDMILL STREET

ASH, Sa 17.6.1871, 4d	Windmill Street ... here, too, considerable alterations have been made. Two new cottages erected about a year ago form the commencement of the crescent which is proposed to be made; further up another dwelling house has been recently tenanted for the first time; while still nearer the town, by the re-building of other two houses, the street bears a favourable comparison with that of three years ago".
