INDUSTRIAL

PINCLANTY MILLS, 233914

AA, Th 15.9.1853, 1d — To let (Pinmore estate). "The houses have been completely repaired. A new and substantial iron water wheel on the most approved modern principle has been erected on a fall of 8 feet, equal to 20 hp, driving a pair of oatmeal stones, a barley mill with the requisite apparatus for dressing, and a set of engines for carding wool. A commodious house is now building to admit of spinning apparatus being added which would be of great advantage to a tenant, and would be much used in

that populous wool-growing district." Has 2 acres, and a house and byre in a good state of repair.

OS, NX2391, revised 1976 disused.
